

PUBLIC SPACES

Classic Parsons

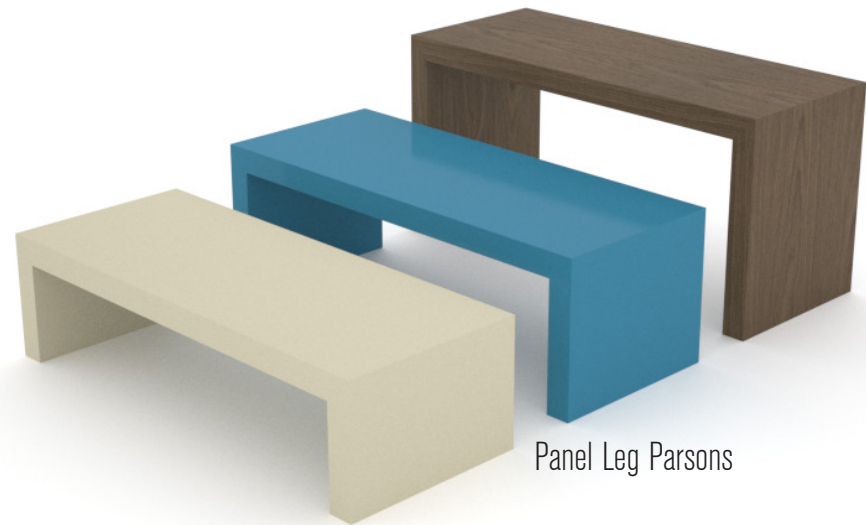

Colecraft's line of Public space and occasional furniture is beautifully simple in design, with an emphasis on contemporary detail and expert craftsmanship. Our solutions include a broad range of sizes, shapes and finish selections. Power and data requirements can be easily accommodated. Our public space and occasional furniture is designed for use in foyers, reception areas, lobby's, casual meeting areas, and collaborative work areas. This collection of furniture is a blend of contemporary styling, functionality and durability for today's public space requirements in business, hospitality or education.
